BELLEVUE, Wash., Dec. 10, 2018 /PRNewswire/ -- To help travelers start 2019 at the top of their game, Expedia® is encouraging everyone to #HitReset this December by offering high-value coupons exclusively to users of their mobile app—including up to 50 percent off flights and 90 percent off hotels.

Take Time Off to Combat Year-End Stress

The holiday season is here, bringing with it a good dose of stress and anxiety. Expedia research shows travelers can get back their festive spirit with a little time off.

"Between navigating winter storms and a jam-packed holiday season, December can be a stressful time for anyone," says Nisreene Atassi, Global Head of Communications, Brand Expedia. "We want people to remember that even a little time off can go a long way toward resetting your sense of well-being before the New Year."

Research¹ is clear about the benefits of taking time off: a staggering 90 percent of the global working population agrees that time off gives them a chance to "hit the reset button" on stress and anxiety - feelings that, for some, can peak during the end of the year. Expedia's [2018 Vacation Deprivation study](#) found that after a vacation, travelers reported significant positive effects, including:

- Feeling more confidence in their ability to solve problems
- Feeling more hopeful and outgoing
- Liking themselves more
